> Dear Congressman Delahunt:

>

> As a constituent, I am writing for your support of legislation to provide  
> direct federal assistance to the airline industry. The need is great and  
> the time is short.

>

> A healthy airline industry is critical to an economic recovery. It is  
> also important to send the message that the country is no weaker today  
> than it was before September 11th. Yes, travelers will be slow to get  
> back on airplanes, but they will. We have to make sure the flights are  
> there.

>

> We'll give back the tax cuts and more. The will of the people is strong.  
> But, we can't deal with any more disasters such as would occur if we let a  
> vital industry like the airlines fail, or worse, be seriously weakened.  
> The airlines are a visible icon of the country's strength. Please support  
> whatever measures necessary.

>

> Thank you.
